Independent Living

Nashoba Suite apartments are home to those who continue to live independently without the day-to-day burdens of owning a home. These spacious apartment homes are beautifully designed and overlook impeccably landscaped grounds. Residents spend their leisure time engaged in a myriad of social activities and outings. They also have full access to amenities such as fine dining, housekeeping services, transportation, outings and fitness center.

Assisted Living

At RiverCourt, attentive professionals tend to cooking, cleaning, personal care and laundry, so that residents can enjoy each day to the fullest. They take advantage of such on-site conveniences as a beauty salon, fitness center, library and activity center. Wellness nurses, emergency response system, and 24/7 staffing are in place to ensure safety and peace of mind.

"My Mom has settled in beautifully with the help of the wonderful care team, and the kind, loving staff. She is thriving with good meals and new friends and many activities to choose from. RiverCourt has really brought her back to life and it is a joy to see her happy, safe and engaged".

~Margaret

Memory Care

Reflections is our secure memory care community dedicated to providing specialized services to residents with Alzheimer's disease and other types of dementia. There are 9 private suites and 7 companion suites. We offer unlimited care and medication management.

"There are no words that can adequately express our appreciation for the level of care, compassion and love which our Uncle received from the staff and his caregivers. He thrived in Reflections because of the many recreational and artistic opportunities presented to him".

~The McGovern Family

Respite Stay

A short stay in a Respite apartment is often the ideal solution for seniors who have been recently discharged from the hospital. The spacious apartments and range of amenities and care options allow residents the additional time to regain the strength and confidence necessary to return home safely.

"RiverCourt respite stays offer a wonderful opportunity to experience a first-class Assisted Living trial. The staff is amazingly kind and compassionate. Days are packed with a wide variety of engaging activities, and the meals are exceptional!"
